

From the Idea to the Result

European Center for Quality Ltd. is a consulting company founded in Sofia in 2001. The company is specialized in:

- development and management of EU funded projects
- development and implementation of Quality Management Systems in accordance with Internationally recognized standards for quality.

The company is a fully-fledged member of the Bulgarian Association of Management Consulting Organizations /BAMCO/. Since its establishment, European Center for Quality Ltd. has built a strong track record in coordinating and participating in a number of projects and initiatives on a European and international level and in advising clients on a variety of EU programmes and projects. The company has rich experience in implementing projects under various European programmes: Lifelong Learning Programme (Leonardo da Vinci and Grundtvig sub-programmes), INTERREG and Cross-border cooperation. Furthermore European Center for Quality Ltd. develops and implements projects for municipalities, educational institutions and businesses under national Operational Programmes in the field of regional and local development, tourism development and promotion, economic competitiveness, human resources development, achieving compliance with internationally recognized standards for quality, etc.
