---

EGS italian partner "Mountain Community Trasimeno-Medio Tevere", many local stakeholders and 3 school that signed the Manifesto worked together during the first local forum at secondary school I.P.S.I.A. "Cavour-Marconi" (Perugia). The forum were succefully divided into three thematic areas: Energy efficiency of public buildings, Energy innovation and Energy saving. The forum ended with discussion of results and a programme draft for next meetings.
