

All EGS partners and many italian stakeholders (University, SME's, Authority and others) will attend at EGS workshop in Schio, Friday - October, 9th - 2009. In the morning all stakeholders and EGS partners will present best practices, projects and other energy questions of great interest (Italian-English simultaneous translation will be provided). In the afternoon will start the first italian forum workshop, succefully divided by thematic areas. In this brainstorming phase many ideas about pilot actions will be proposed by italian stakeholders and EGS italian partners together. The forum will end with discussion of results.
